

Technical Bulletin

CNS13017, CNS13017DV, EFF241 & EFF283D

Comline currently offer four different variations of fuel filter for the Nissan Qashqai. It is essential to choose the correct part for the required application, lookup via the VIN/chassis number is the key to choosing the correct part.

No water sensor | No water sensor coupling | Without diverter valve

Part No.	Application
CNS13017	NISSAN NV200 10->, NV200 / EVALIA 10->, QASHQAI / QASHQAI +2 06->14, X-TRAIL 07->14, RENAULT KOLEOS 08->

No water sensor | No water sensor coupling | With diverter valve

Part No.	Application
CNS13017DV	NISSAN NV200 10->, NV200 / EVALIA 10->, QASHQAI / QASHQAI +2 06->14, X-TRAIL 07->14, RENAULT KOLEOS 08->

No water sensor | With water sensor coupling | With diverter valve

Part No.	Application
EFF241	NISSAN MURANO 10->14, QASHQAI / QASHQAI +2 07->14, RENAULT KOLEOS 08->

With water sensor coupling | With diverter valve

Part No.	Application
EFF283D	NISSAN NV200 10->, NV200 / EVALIA 11->, QASHQAI / QASHQAI +2 06->14
